

Hello Mount Hermon Conferee & Your Parent/Guardian!

We're so excited that you are planning on joining us this summer at our Mount Hermon Summer Conference. We know God is going to do some amazing things that week and we hope that if you are able to join us. And we hope that during that time He would teach you amazing things through His Word and through your time with your fellow conferees and our staff.

For those of you who have attended Mount Hermon in the past you probably noticed that the registration form looks different this year. Recently the state of California has instituted new regulations for summer camps and one of our new rules is a more comprehensive Health History form. **Starting this year, the form is now part of the registration material that must be turned in before you are officially registered for camp.** Please make sure to fill out the registration form completely before sending it in with your full payment. Any incomplete forms will be sent back to you and you will not be registered & confirmed until a complete form is turned in. This could cause you to be waitlisted for camp.

If a Health History form is not available at your church, they can be downloaded on our website. www.JEMS.org/registration

If you have any further questions about our Mount Hermon Youth Camp programs please feel free to contact me at LillyToke@JEMS.org or (213) 613-0022
