

Ministry

The English class students preparing for Christmas program.

Children performed Christmas Nativity story at 2 churches and were such a blessing.

We made over 70
Gingerbread cookies for gifts.

Mr. and Mrs. Aoyagi came to help in the ministry from Tokyo. We helped plant dry onions. They gave testimonies and were such a blessing.

Taking a breather while helping Church camp.

I took Mrs. Ota, 87, for an outing to visit her relative, Asa san 94. We sang hymns and read the Bible. Asa san is a new Christian. We had a good time.

Pastor Arai, a former Pastor at Ushibuka Church and now pastors in Sacramento, was Key speaker at Ushibuka Church's 60th Anniversary. What a blessing it was!

Please pray that God will bring many new people in His Kingdom this year. Thank you for your prayers and love support. I experience big and small miracles each day and know that it is your prayers that God honors and answers. God bless you and your loved ones during 2013, especially in good health.

In His care and much love,

Lily Suzuki
